Of Mind & Eye

If you missed the beautiful print exhibit entitled "Of Mind and Eye" featuring the prints of George Garbeck, Florence & Stanley Kantor, Vinnie Kempf, Maggie Molino and Dieter Steinmeyer at the DiGangi Gallery during September, you really missed something good.

But, all is not lost! Presently you can see the prints of Vinnie Kempf which will now be on exhibit in the Ramsey Public Library during November. The Ramsey Public Library is on Wyckoff Avenue in Ramsey.

We will let you know if when other sightings become available!...

Photo Tip of the Month!

- 1.) Know what you want the subject of your picture to be.
- 2.) Draw the viewers eye directly to the subject by focusing all attention on the subject.
- 3.) Simplify by eliminating *anything* that takes attention away from the subject (also known as "the center of interest").
